

Head Start Opening for 3-5 Year-old Children

Four Square's Head Start Early Childhood Education programs across the four county area of Cherokee, Clay, Graham, and Swain still have open slots for children 3-5 years of age. Head Start classes begin August 26, 2024, and we have centers in Murphy, Andrews, Hayesville, Robbinsville, and Bryson City. Enrollment will be open until classes are filled.

Services provided to children and families include, early childhood education, transportation, dental screenings, nutritional services (breakfast, lunch, and snacks), disability services for special need children, health screenings, and other family services. **New this year**, our Head Start programs will be offering extended day services until 5:30 pm for working parents of children enrolled in our programs.

The feeling of belonging is critical to the well-being of every child and family. That's why we make partnering with families the heart of our approach to early learning and childhood development. Apply to see if your family is eligible for Head Start services. To enroll visit any of our Centers or see our weblink at [Head Start \(foursquarecommunityactioninc.com\)](https://foursquarecommunityactioninc.com) or call us at 828-321-4475 ext. 231.
